***Response to Amendment***

The reply filed on 10-28-2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the applicant did not address the previous art rejections because the applicant stated that objected to subject matter of claim 16 was inserted into claim 1, and that claim 21 was amended to include the subject matter indicated as being allowable. However, neither claim 1 nor claim 21 includes all of the limitations of any claim indicated as being objected to. Therefore, the applicant has failed to properly address the previous art rejections and failed to explain how the newly amended claims, which do not have all of the objected to limitations, are patentable over the previously applied prior art. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
